

Job Opportunity - Rural Surveyor, Carver Knowles

Carver Knowles are seeking an enthusiastic rural surveyor to join our team.

We are an independent firm of Land Agents, Surveyors and Valuers covering Gloucestershire, Worcestershire and Herefordshire. Our clients range from large property owning organisations to family farms across the three counties. We offer range of professional services including rural planning, BPS and cross compliance, property agency, compensation, AMC finance, farm business advice and valuation.

The role will cover all aspects of the professional services offered.

Candidate attributes

- MRICS and FAAV qualified
- Ideally a minimum of 2 years PQE
- Strong background knowledge of the agricultural sector
- Good market knowledge & strong commercial awareness
- Professional and approachable with a good eye for detail
- Driven and enthusiastic
- Communicate well with clients and colleagues
- Well organised with good attention to detail
- Strong analytical, research and report writing skills
- Work quickly and efficiently to tight timescales
- Ability to generate new instructions and build on the existing client base
- Full clean driving licence
- Excellent IT skills

This is a full-time role.

The successful candidate will be based in Strensham on the Gloucestershire/Worcestershire border.

Salary

Salary and package are dependent upon the experience of the successful candidate. A bonus scheme is available.

Apply in confidence by forwarding a CV, together with a covering letter to:
