2. There shall be no letting unless there are two bidders and that the best or highest bidder subject as aforementioned shall be the person to whom the same shall be let.
3. No person shall advance less than five pounds at each bidding and the person to whom the grass shall be sold (hereafter called “the Purchaser”) shall immediately pay down to the Auctioneers the amount of the selling price.
4. If such highest bidder fail to comply with such of the conditions as are to be performed immediately the Auctioneers shall be at liberty to put up the said grass again under the several conditions herein specified.
5. The purchaser may not assign the benefit of the licence to any other natural or legal person.
6. The Town Council will pay the Taxes in respect of the said sale of the grass.
7. The Town Council reserve the right to allow Severn Trent Water Limited, Western Power Distribution Ltd or any Government Department or Council, their Officials, Contractors, Servants and Workmen to enter into and upon the Meadow for the purpose of relaying or maintain in repair the Water mains or any other pipes or services under or over the Meadow. No claim in respect of damage or loss of keep will be entertained by the Council and any such claims shall be settled directly between the Severn Trent Water Limited, Western Power Distribution Ltd, Government Department or Council as the case may be and the Purchaser. **Please note that the mowing grass is “sold as seen”.**
8. The Town Council further reserves the right to allow Motor Vehicles to be parked on the Meadow from time to time at the risk of the owners of such motor vehicles. No claim in respect of damage or loss of keep will be entertained by the Town Council by reason of this. When completing the later cut (12<sup>th</sup> July) the grass shall be mown in such a way as to avoid chicks being driven into the centre of the plot.
14. The Purchaser agrees that this licence does not create any right of exclusive occupation of the land by the Licensee nor any interest in the land.
15. The Purchaser shall pay to the Town Council by way of liquidated damages in respect of the liability of the Town Council of Tewkesbury Commons and not by way of penalty the sum of Twenty Five pounds a day in respect of every day on which uncut or cut grass or bales shall remain on the Meadow after 12<sup>th</sup> July, allowing for conditions 9 and 11 to be fulfilled and unless weather conditions delay cutting or baling.
